UNTERNEHMERTUM – EUROPE’S LEADING CENTER FOR INNOVATION AND BUSINESS CREATION

UnternehmerTUM is a unique platform for the development of innovations. UnternehmerTUM actively identifies innovative technologies and initiates new business through the systematic networking of talents, technologies, capital and customers.

UnternehmerTUM offers founders and startups a complete service from the initial idea to IPO. A team of 240 experienced entrepreneurs, including scientists and investors, supports startups with business creation, market entry and financing – also with venture capital. For industry partners, UnternehmerTUM is a central platform for cooperation with new companies, and for expansion of their innovative strength and culture.

UnternehmerTUM was founded in 2002 by the entrepreneur Susanne Klatten and is the leading center for innovation and business creation in Europe.
